

Dear Parent/Guardian

It's time to start thinking about our annual Club Championships again!

This year we are licensing all of the Club Championships so swimmers will be able to use times obtained at Club Championships for the counties and other galas. We have also condensed the races into 8 sessions rather than 10, so please check which events are taking place on which dates.

Club Championships is a way of preparing swimmers for competitive galas. It also enables swimmers to swim different lengths and strokes whilst trying to achieve new Personal Best times. With this in mind, we encourage all those who are able to swim 25m to participate in as many events as possible. It is not all about winning it is the taking part, and achieving new Personal Bests and being part of a team that counts.

There are the four strokes for each age group.

Do remember however, that there are other events; Individual Medley 4 x1, 200m Freestyle, Backstroke and Breaststrokes, 400m Freestyle, 800m Freestyle and also 50m Freestyle (for those that 50m Free isn't an event in their own age group). The age groups vary: Under 13 or under 12 and Open (13 and over). There are also 200m and 400m Individual Medley events.

We also have for 11 years and over events in 50m breaststroke and backstroke. For 13 years and over 50m butterfly.

Please note that the committee have decided that only club swimmers who have attended regularly can enter club championships.

If you are unsure whether to enter an event, please ask your child's coach.
