NOTTINGHAM NORTHERN SWIMMING CLUB

POLICIES FOR SUCCESSION PLANNING AND RECRUITMENT

Nottingham Northern swimming club relies solely on volunteers in every aspect of its organisation and running.

POLICY FOR SUCCESSION PLANNING

Nottingham Northern Swimming Club recognises the need of the club to look forwards and identify key positions within the club which need to be filled in the future to ensure that the club has a healthy and vibrant future.

All volunteers in every capacity within the club are encouraged and asked to give at least three months notice of wishing to leave their roles. This allows time for recruitment and induction of other members. The head coach is asked to give six months notice of leaving to ensure an appropriate overlap with a new coach.

When there is notice given of leave from a key position the NNSC management committee will commence a recruitment drive. All those in key positions on the NNSC management committee will be asked three months before the AGM if they wish to continue in their roles.

RECRUITMENT POLICY

Nottingham Northern Swimming Club Recruitment Policy is in line with its equal opportunity and equity policy. We are committed to recruit volunteers equally within the context of their activity, regardless of sex, ethnic origin, religion, disability, age, sexual orientation or political persuasion.

The club will take positive action to increase the involvement from under represented groups in all aspects of our organisation, participation, coaching, teaching, officials and committee members.

All volunteers who will be directly involved with swimmers will be required to undergo a Criminal Records Bureau Enhanced Disclosure and will be required to attend Sports Coach UK child protection training.

NNSC will ensure that all volunteers are given adequate induction with written information on their role and time with experienced volunteers including if possible shadowing the role. A mentor will be provided for the induction and training of officials.

Those volunteers funded by the club to become poolside helpers, lifeguards, teachers and coaches will be required to be committed to an agreed number of sessions for an agreed period of time.
